TEXTILE MILLS ARE
WORKING SHORT TIME
IN CENTRAL EUROPE.

Washington, Nov. 4.—Lack of raw cotton and fuel is greatly reducing manufacturing in central European countries, according to a report on the cotton situation at the

ment of commerce today from Howard W. Adams at Berlin. The mills in Austria, Czechoslovakia and Yugoslavia, the consul said are operating only from 20 to 30 per cent of their full capacity. Because of the unfavorable rate of exchange of the currency of these countries as against the American dollar, the consul explained, the mills and textile mills can afford to export raw cotton only when they can simultaneously to market the converted goods for export. The consignments of raw cotton stored in the warehouses at Bremen, Han-

Eisenbrod, Bohemia, were by dealers before the drop in price of cotton in the United States. Consul Adams declared, and is now being asked the consideration it practically imposes on the mills to buy cotton. The mills existing in Germany, Czechoslovakia, he said, are not sufficient to permit the manufacture of the stored cotton to compete with American cotton.

the period between August and July 31, 1920, the cotton consumed by spinning mills comprised

PRISONER COMMITS SUICIDE.

Sheriff Anderson was aroused early Sunday morning by prisoners in the county jail who informed him that A. C. Heitman, a white man who was convicted last week at the general session of court of obtaining money under false pretenses and sentenced to serve three months on the chain-gang, had committed suicide some time during the night by tying a cord around his neck causing strangulation.

Coroner J. Henry Gladden empaneled a jury Sunday morning. Mr. F. L. Marshall acting as foreman, which brought in a verdict to the effect that Heitman came to his death by his own hands.

Heitman's brother, Mr. Gilmer Heitman, a prominent citizen of Fort Myers, Fla., last week sent Heitman a suit of clothes and it was the "wine around the box" which Heitman used to take his life. Heitman had told other prisoners in the jail a number of times that he would die before he would wear stripes but none of them attached any importance to his statement. Heitman, although connected with a prominent family, has been in trouble of various kinds and it has been the custom of relatives to come for his rescue, however, he had been informed that he could expect no more aid from them.

The following letter written to Sheriff Anderson, was left by Heitman:

"Sheriff Anderson:—I just cannot stand my trouble any longer. I had rather die and have it all over. My dear old mother is in Heaven, and I want to be there with her. I will be better satisfied than the trouble and confinement I am now suffering with no friends to help me. I love all my friends and hope to meet all of them in the Better Land. Will you please meet me there?"

In a taking my life and will be at rest with my Lord. Tell the cashier that I am sorry I treated him so badly, but my God has forgiven me and hope he has.

Sheriff please have my body sent to Lexington to my aunt.

Yes, rather to go to the chain-gang, I will die for my family's name and my little girl's sake. Tell my sons and brothers for their sakes I will never wear stripes.

Sheriff, please be good to all your fellowmen. I do appreciate your kindness to me, but I am sick with pneumonia.

Please send all my clothes and papers to my sister at Lexington.

God bless you all, my friends, and meet me some sweet day in the Land White and Fair.

God bless you all, I am ready to meet my blessed Lord and my dear old mother.

Dear Sheriff, please notify my sister and brothers.

Good-bye to all, with love, HEITMAN."

COLUMBIA NEGRO SHOOT HIS WIFE, KILLS HIMSELF.

Columbia, Nov. 8.—After having shot his wife, Rosabelle Cannon, negro in a restaurant here last night, as charged by the police, the body of Albert Cannon, negro, was found early this morning lying behind a bill-board, several blocks away from where the alleged homicide occurred. There was a bullet wound through the negro's head, surrounded by powder burns, and a pistol was lying at his side, leading to the supposition of suicide.

"POSSUM COSTS HIS LIFE."

Toccoa, Ga., Nov. 7.—While engaged in a fight with an opossum in the top of a persimmon tree late last night, Herbert Cobb, prominent young white man, fell to the ground, breaking his neck. He lived only a few minutes.

PRESIDENT WILSON HAS NO INTENTION OF PARDONING EUGENE V. DEBS.

Washington, Nov. 8.—President Wilson is understood to have no intention of pardoning Eugene V. Debs, who is serving a ten years sentence in the federal penitentiary at Atlanta for violation of the espionage act.

The position taken by the president, according to those who profess to know his views, is that executive clemency in such a case would set a bad precedent and would encourage others to oppose the government in the event of another war.

Debs was convicted at Cleveland on September 12, 1918, on three counts, a jury finding him guilty of attempting to incite insubordination and disobedience in the military and naval forces attempting to obstruct recruiting and uttering language tending to incite, provoke and encourage resistance to the United States and to promote the cause of the enemy.

Even if a man had eight medals for bravery you would have a hard time making his wife admit that he is a hero.

A SALE BOUNTIFUL OF THE RIPEST-BARGAINS IN SOUTH CAROLINA TODAY.

Here is the Plain Truth READ IT

Owing to the fact of having had a late Fall and having been sufficiently supplied with our Fall Stock, also the slump in merchandise which has come so sudden, plus the constant arrival of goods daily, overcrowding every nook and corner of our store, we are virtually compelled to unload, although our prices are at all times low, you'll be surprised at the quality of goods offered, and the price for which they are knocked down. JUST A GENUINE AND BONA-FIDE PUBLIC SALE.
